Genetic Engineering WebQuest

Genetic Engineering Webquest. This lesson is about Genetic

Engineering. The objective is for you the student to understand how

basic genetic engineering works, to learn what everyday products are

the result of genetic engineering and how it has benefited our lives, to

learn of its disadvantages, if any, and to learn what genetic engineering

can do for us in the future.

Genetic Engineering Webquest: Introduction

Perfect for both in class and distance learning!In this webquest,

students will navigate through different websites to answer questions

about different genetic disorders, including Huntington's Disease,

PKU, Duchenne Muscular Dystrophy, and Down Syndrome. An

answer key is included.
