JA Economics Blended Model. JA Economics (Blended Model) is a one-semester course that connects high school students to the economic principles that influence their daily lives as well as their futures. Through a variety of experiential activities presented by the teacher and volunteer, students better understand the relationship between what they learn in school and their successful participation in today's global economy.

## **JA Economics Blended Model | Junior Achievement USA**

JA Economics reinforces concepts of micro- and macro-economics by having students explore the basic characteristics of the U.S. economic system and how economic principles influence business decisions. The program also introduces students to career opportunities and consumer issues, and it helps reinforce important academic and leadership skills, including research and data analysis, problem solving and critical thinking.
