Leo Castelli wasn't without his critics, and his prominence would eventually fade and become a bit tarnished, but his impact is arguably without equal. The story of Castelli's rise in the art world, and the revolution he sparked in the art market are fascinating, but so too is his background prior to emigrating to the US.

In 1919, Leo adopted his mother's maiden name of Castelli. In 1932 he met and married Ileana Schapira, the daughter of a wealthy Rumanian industrialist, and with his father-in-law's financial help, Castelli opened a Paris art gallery in the spring of 1939, which showcased Art Deco furniture, objects d'art and Surrealist paintings.
