The 10X Rule: The Only Difference Between Success and ...

The 10X Rule is summarized by two main components: setting massive goals and taking massive action. The idea proposed is that since all goals require an extraordinary amount of work and effort, then you might as well set big goals. Also, setting big goals will greatly increase your level of motivation compared to setting average goals.

This 4th degree, also know as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of 'Massive Action,' allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline.
